***Allowable Subject Matter***

Claim 11 is allowed in light of Applicant's amendment and arguments. The following is an examiner's statement of reasons for allowance: The present invention relates to an image display apparatus having a spacer. The prior art of record neither shows nor suggest an image display apparatus comprising, in part, an electrode formed on either one of first and second substrates, bearing second support member, is electrically joined to second support member by a contact of a contact portion having spring characteristics, provided on second support member, along with the rest of the limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
